Polyfix Trading is a trusted supplier and dealer of construction chemicals, waterproofing solutions, polyurethane foam (PUF) chemicals and insulation products, serving customers in Hyderabad, Secunderabad, Telangana and nearby markets. We provide quality products and practical solutions for construction, infrastructure, industrial and commercial applications.

Our extensive product portfolio is designed to meet the diverse requirements of modern construction and industrial projects. We supply PUF Chemicals, Polyol & MDI, PUF Insulation Boards, PUF Pipe Insulation, PUF Pipe Supports, waterproofing chemicals, concrete repair products, concrete admixtures, epoxy coatings, adhesives, sealants and tile & stone fixing solutions. Our products are suitable for a wide range of applications including thermal insulation, waterproofing, concrete protection, repair, bonding, flooring and general construction requirements.

At Polyfix Trading, we understand that every project has different

technical and material requirements. Therefore, we focus on providing suitable products based on the application, project requirements and customer needs. We work with builders, contractors, engineers, architects, infrastructure companies, manufacturers, industries and other B2B customers looking for dependable construction chemical and insulation solutions.

Quality and reliability are important parts of our business approach. We aim to source and supply genuine products while maintaining consistent service, competitive pricing and timely delivery. Our team also assists customers with product selection and application-related requirements wherever needed, helping them choose practical solutions for their projects.

Our construction chemical range supports important applications such as waterproofing, concrete repair, bonding, sealing, protection and surface treatment. At the same time, our polyurethane foam and insulation products are suitable for thermal insulation and specialized industrial applications. This combination allows Polyfix Trading to serve customers across multiple segments from a single reliable source.

Customer satisfaction is at the heart of our business. We believe that a successful supplier relationship is built through product quality, transparent communication, responsive service and dependable supply. Our objective is not simply to sell products, but to develop long-term relationships with customers by understanding their requirements and delivering suitable solutions.

Polyfix Trading continues to expand its product range and market presence while maintaining a strong focus on quality and service. We serve customers across Hyderabad, Secunderabad, Telangana and surrounding markets and aim to become a dependable source for construction chemicals, waterproofing products, PUF chemicals and insulation solutions.

Whether you are looking for waterproofing chemicals, concrete repair materials, construction chemicals, adhesives, sealants, PUF chemicals, Polyol & MDI or insulation products, Polyfix Trading is ready to support your project with reliable products and professional service.
