ExcelR is a premier training center located in BTM 1st Stage, Bengaluru, specializing in Full Stack Developer and Business Analyst courses. The institute offers a well-rounded curriculum that merges technical skills in web development, including HTML, CSS, JavaScript, and Node.js, with essential business analysis competencies such as requirements gathering and data-driven decision-making. The program is designed for aspiring professionals who wish to equip themselves with a dual skill set, enhancing their employability in the tech industry. Students engage in hands-on assignments, coding challenges, and real-world projects, ensuring they gain practical experience alongside theoretical knowledge. ExcelR's comprehensive approach prepares individuals for successful careers in both software development and analytics, making it an ideal choice for those looking to thrive in tech-driven environments.
