THE IIG INSTITUTE - Crafting Brilliance in Gem Education and Beyond
The International Institute of Gemology (IIG) is a paramount institution, devoted to providing comprehensive education in gemology, diamonds, and jewellery designing-merchandising. Committed to nurturing excellence, IIG has emerged as a global authority in gem education, research, and industry collaboration. Since 1965, our curriculum has been a beacon, covering gem identification, jewellery designing, management, and industry best practices, preparing students for successful careers in the dynamic gems & jewellery industry. Guided by seasoned faculty, and experts in the industry, our education is a pinnacle of quality, ensuring students receive unparalleled training.
