Continental Belting was founded in 1984 by a team of five persons with the goal of becoming one of the world's leading belting brands. Over the years, we have gained a great deal of expertise in the belting sector. We deliver many industrial products like Rubber Conveyor Belt, Chevron Conveyor Belt, Bucket Elevator Belt, Food Grade Conveyor Belt, Heat Resistant Conveyor Belt, that are designed and manufactured using high-quality raw materials and cutting-edge components to meet customer needs.
