Aark learnings is an educational initiative to move one step closer to nurturing Innovation and uplifting creativity in the field of Modern Age Education. Today's education/co-curriculars demand a child's holistic mental development. We are just not making foundation level education more experience based but also knowledge equipped to something that expands a child's mental horizon, teaches them about lateral thinking, using both sides of the brain. Improves their creativity and concentration and hence aids them in all spheres of life.
