Neolife Childrens Hospital is a specialized pediatric and neonatal healthcare center providing dedicated medical care for newborns, infants, children, and adolescents. The hospital focuses on child health, preventive care, diagnosis, treatment, and specialized medical support in a child-friendly environment.

Led by Dr. N. Pavan Kumar, Neolife Childrens Hospital provides pediatric consultations and comprehensive healthcare services including child health check-ups, vaccination and immunization, newborn care, growth and developmental monitoring, nutritional guidance, and treatment for common childhood illnesses such as fever, infections, allergies, and respiratory conditions.

The hospital also provides specialized Neonatal Intensive Care Unit (NICU) and Pediatric Intensive Care Unit (PICU) services for newborns and children who require intensive monitoring and advanced medical support. Neonatal care is available for premature and low-birth-weight babies, while pediatric intensive care supports children with serious

medical conditions.

Other services include pediatric emergency support, newborn care, vaccination, developmental assessments, nutritional counseling, physiotherapy, occupational therapy, and speech therapy support.

Parents looking for specialized pediatric healthcare and neonatal care can consult Dr. N. Pavan Kumar at Neolife Childrens Hospital. The hospital is located in Saraswathi Nagar, opposite the District Court, Nizamabad, Telangana.
