Atman Care Home provides a range of services for elderly individuals, including adult day care, assisted living facilities, and rehabilitation programs. The facility offers personalized care plans, recreational activities, and nutritious meals in a safe and nurturing environment. Atman Care Home's approach emphasizes maintaining residents' autonomy and self-expression while providing necessary support. Their services extend to retirement living, residential and palliative aged care, and specialized rehabilitation to help seniors recover from illnesses or injuries. The staff at Atman work to promote independence and improve the quality of life for all residents.
