**Afixi Technologies** has more than **14 years of expertise** in [web design](#), [development](#), [mobile application](#) and [SEO](#). The company provides complete software solutions through advanced technology, business integration and life cycle management of applications.

Afixi was founded in April, 2002 at Bangalore, India. We are leading software Development Company in India specialist in Web Applications Development, Mobile (Android/iPhone/iPad) apps Development, Web and Graphics Designing, Internet marketing (SEO/SMO/PPC). Now, Afixi has its head office at Bhubaneswar Odisha, and operates out of its own office building, with 12,000 sft across 3 floors on a half acre land at the IT Park, Bhubaneswar.

With several IT companies, namely Infosys, Wipro, TCS, Mindtree and others, as neighbours and DLF coming setting up a huge tower nearby, Afixi is in the right place to benefit from the focus provided by the state.
