AKinfo Institute is a certified hardware repairing institute. This is a premier technical training institute that is widely offering a variety of courses all over India. It was founded with a vision to deliver the same standard and quality extensive experience in mobile phone repair training, laptop, tablet and computer repairing.

Because of its extensive range of training courses, AKinfo Institute has become a benchmark with the latest number of mobile repair engineers across the nation. The institute is well established across all over the country with highly sophisticated instruments like SMD machine, LCR meter, Oscilloscope, IRDA, etc. We also provide fast track courses and special classes for those who are working and do not have enough time to take this course. There is a team of experienced and well-trained faculties in all areas of complexities and possibilities. We have developed detailed and focused training techniques to understand.
