Brand Liaison is a trusted product compliance and certification consultancy in India, helping manufacturers, importers, brand owners, startups, and foreign businesses meet Indian regulatory requirements. With 10+ years of experience, we provide end-to-end assistance for certifications and registrations including BIS CRS Registration, BIS ISI Certification, BIS Scheme X, WPC ETA, BEE, TEC/MTCTE, EPR, LMPC, and other product compliance requirements.

Our team focuses on making the certification process clear and manageable by providing practical guidance at every stage, from initial product assessment and testing to application submission and post-registration support. With 5,000+ certificates delivered, 1,000+ BIS projects, and 500+ FMCG projects, Brand Liaison supports businesses in achieving compliance efficiently and confidently.
