Columbus International School (CIS) is one of the best CBSE schools in Ballia, offering education from Nursery to Class XII. Located on Nagra Road in Siswar, Ballia, Uttar Pradesh, the school focuses on overall student development—intellectually, emotionally, and physically. We believe in shaping students with strong values like honesty, confidence, and responsibility. The school offers facilities like digital classrooms, science & computer labs, a library, sports, hostel, transport, AI learning, and coding labs. It is the first school in Ballia to have an AI Robotic Teacher, bringing innovation to education. At Columbus International School, we provide a safe and student-friendly environment, ensuring every child gets quality education.
