Our contracting firm was founded by Mr. Parag Edwankar, B.E. (Civil), who carries forward a rich legacy of construction and architecture ingrained in his family. Guided by this heritage, ***Contours*** and Merru (subsidiary) carry forward the belief that the spaces we inhabit shape our experiences, influence our emotions and tell our stories.

With over 3 decades of experience, whether it’s creating elegant residential spaces or sophisticated commercial environments — we blend traditional expertise with modern innovation to craft environments that satisfy needs, foster growth and reflect the unique personalities of those who occupy them.
