Dr. Hiren Patel, M.S. (Ortho), is a **top Orthopedic Surgeon based in Ahmedabad**, Gujarat serving as Director and Head of Joint Replacement Surgery at PMG Hospital. With over 13 years of surgical experience and more than 11,000 successful joint-replacement and orthopedic procedures under his belt, he is renowned for his precision, technical expertise, and compassionate patient care.

A graduate of B.J. Medical College, Ahmedabad, Dr. Patel honed his skills through multiple international fellowships: knee arthroplasty in Grenoble (France), hip replacement in Zurich (Switzerland) and Milan (Italy), and shoulder surgery in Seoul (South Korea). He is proficient in advanced techniques—including robotic-assisted knee replacement using the ROSA system and the innovative CROWN partial-knee procedure—ensuring outstanding outcomes and faster recovery .

Committed to excellence, he leads training programs for global orthopedic fellows and upholds the highest safety and comfort standards for his patients.
