Since 2010, Dr. Surbhi Kapadia has been practicing as an ophthalmologist & oculoplasty specialist at Sunayana Eye care and Venus Hospital, Baroda. In addition to general ophthalmology, Dr. Surbhi Kapadia super specializes in surgical and non-surgical procedures around the eyes, forehead and eyebrows. She is an expert in reconstructive plastic surgery of eyes, tumors affecting the orbit or eyelids. She is also skilled in non-surgical anti-aging treatments including fillers & surgical cosmetic eyelid surgery (blepharoplasty).

Her expertise has helped in successful treatment of patients with a variety of eyelid and orbit disorders.

Backed with an extensive experience and state of the art equipment, Dr. Surbhi is committed to provide excellent results for patients requiring any kind of ophthalmology & oculoplasty care. At Aadicura superspeciality hospital we proudly claim to provide the most ethical & world class standard of eye care for all eye problems.

After completing M.B.B.S. & M.S. (Ophthalmology) from Baroda Medical

College, her special interest towards the niche speciality of oculoplasty and facial aesthetics resulted in a long-term fellowship fromthe renowned L V Prasad Eye Institute, Hyderabad.
