Welcome to the Golden Aster Event, your trusted event management company in Kolkata that flourishes your events with jaw-dropping execution to create magic on your special day. Whether it is a sangeet ceremony, wedding, private party, birthday or wedding anniversary party, corporate event, or any special celebration or special effects, we specialize in organizing the best event with precision and classiness. Since the very first day of the journey, Golden Aster Event has performed everything spot-on.

From a venue selection to florist arrangement and decoration, photography and videography, hospitality and logistics, our expert team of event organizers handles everything seamlessly to ensure a stress-free event management service for the people of Kolkata. Our strong and genuine event management vendors network, innovative ideas, and detailed planning help us make your event extra special.
