Weddings By Lifeworks is regarded as Wedding Photographer in India. Call us at +91-9910084360 to book your wedding photography.

Lifeworks Studios is group of photographers, film makers, editors who love story telling. We are based in outskirts of New Delhi, India.

At Lifeworks Studios, we showcase life at its best- in its truest forms and in its most vibrant colors! The warmth of love flowing between two people can not only become an inspiration for many like me to believe in its beauty and replicate it but change the perspective of looking at the world altogether. "Lifeworks studios" is my earnest effort to present people the memento of their being- their wonderful relationships and encourage them to preserve it.

We love working with couples and entering their shoes to see the happiness and excitement for their weddings-family, friends, ceremonies, décor, music, and food become important to these candid snippets as marriage is more than two people falling in love with each other, in our country.

The innocence of these moments that get missed in the frenzy of thousand events on your big day can be saved and come out in the most emotionally powerful and expressive ways through my photographs. We allow ourselves to travel as much as we can and imbibe the energy and creativity of capturing events in diverse fashion.
