Apartments In Trivandrum

A luxury apartment project in Trivandrum just 300 meters away from Infosys and Technopark Phase 3, Kalyan Avanti is apt for a home buyer seeking a convenient and refreshing lifestyle.

Offering residential options in 2BHK & 3BHK, Avanti has explored various architectural themes to feature high-end specifications and panoramic views of the lush green gardens in each apartment.

An additional tidbit of information to gratify the investor in you- the value appreciation in this location has been a whopping 400% in the last 8 years and shall undoubtedly rise even further by the completion of proposed development projects.
