Kosmoderma skincare range protects your healthy skin, corrects present skin concerns, and prevents your skin from future damages. Each product contains natural ingredients and formulations that stand the test of time. Explore extensive products recommended by expert dermatologists and trichologists to address your specific skin/hair concerns. Kosmoderma's "No Soap Gentle Cleanser for Sensitive Skin" is a skincare essential crafted with utmost care and precision to cater to the specific needs of those with sensitive skin. This exceptional product offers a pampering and effective cleansing experience that leaves your skin feeling refreshed, without the harshness of traditional soap-based cleansers. This gentle cleanser is specially formulated to maintain the delicate balance of sensitive skin and all skin types. Kosmoderma Dermabrite cream has Kojic acid for Pigmentation as an active ingredient. Along with it, natural ingredients like gooseberry extract, licorice and aloe vera help to give a soothing effect that eases any type of inflammation on the skin.
