India's most trusted best Abroad Education Consultants & IELTS Coaching in Surat- Lakshya Overseas Education. We have several years of experience in this industry and with the expertise of our proficient team, we have helped a large number of students to fulfill their dream of studying abroad at the Universities of their choice. Lakshya Overseas Education is an international education organisation offering student placement in Australia, New Zealand, USA, UK, Republic of Ireland, Canada and many other countries. We've put together this comprehensive guide because we believe that the role of a platform, provider, and global education consultant has extreme weight and implications in determining the outcomes of individual students. We ultimately are responsible or at the very least may play a deterministic role in helping students make key decisions from identifying appropriate courses and universities to debating potential countries that will help unlock the most value for a student's goals and desired career path.
