Laxmi Voyages is a Jaipur-based tour operator offering private and customized travel experiences across India. We specialize in Rajasthan Tours, Golden Triangle Tours, South India holidays, wildlife tours and chauffeur-driven car rental services, helping travellers explore India with flexible itineraries and practical travel arrangements.

Our tours are designed for travellers who prefer private transportation, comfortable vehicles and personalized service rather than fixed group itineraries. From a short Jaipur sightseeing tour or Golden Triangle trip to an extended Rajasthan holiday, wildlife safari or multi-city journey, we can arrange travel around your interests, schedule and preferred pace.

We provide Car Rental in India for sightseeing, airport transfers, intercity travel and multi-day tours. Vehicle options include comfortable sedans, SUVs, Innova Crysta, Force Urbania and Tempo Traveller options for larger groups. Our drivers are familiar with local routes and popular tourist destinations, helping make long-distance

journeys across India more convenient.

Our Rajasthan tours cover destinations such as Jaipur, Jodhpur, Udaipur, Jaisalmer, Pushkar, Ranthambore and other heritage and wildlife destinations. Our Golden Triangle tours connect Delhi, Agra and Jaipur, while our customized India tours can be extended to include Varanasi, Mumbai, Goa, South India and other destinations according to your travel plans.

For travellers seeking a premium experience, our Luxury Car Rental in India service provides comfortable luxury vehicles with professional chauffeur services for sightseeing, business travel, airport transfers and private journeys.

For wildlife enthusiasts, we arrange private wildlife journeys to destinations known for tiger safaris and diverse natural landscapes. We also help with accommodation, sightseeing arrangements, transportation and itinerary planning so that different parts of your trip work together smoothly.

At Laxmi Voyages, our focus is on clear planning, comfortable travel and personalized support. We take time to understand your requirements before preparing an itinerary, whether you are travelling as a couple, family, solo traveller, private group or corporate group.

From your first enquiry to the end of your journey, we aim to provide practical travel assistance and a smooth experience. Whether you are visiting India for the first time or returning to explore another region, Laxmi Voyages can help you plan a private journey suited to your interests, available time and travel style.
