M.S Uro-Gynae & Stone Centre was started by Dr. Mukesh Soni and Dr. Rim Jhim Kumari in 2017 and its new hospital building was inaugurated in Jan 2022. Dr Mukesh Soni and Dr. Rim Jhim Kumari in their 20 years of practice across various private and governmental hospitals throughout India saw first hand how good treatement was becoming prohibitively expensive for common people. This catalyzed in them thier Doctoral instincts and thus M.S Uro-Gynae & Stone Centre was born to provide world class Urology and Gynaecology treatement at affordable budget.

We at M.S Uro- Gynae & Stone Center provide IVF, IUI, ICSI, Surrogacy, Infertility Treatments, Egg Donation, Sperm Donation, Embryo Donation, Egg banking, surrogacy, painless deliveries, and maternity care at affordable rates. We have in-house diagonstic center, pharmacy, sonography and IVF specialists to help you on board your parental journey.
