Nexa Elevators PVT. LTD
Mr Rajesh G, the Managing Director of Nexa Elevator Pvt. Ltd., has immense experience in elevator technology. He has established the company with a team of veteran design planners, technicians, and mechanical experts. This has ensured the perfect execution of any elevator project, starting from manual simplicity to digital complexity

Our mission is to offer you top-notch technology and installation supremacy. When you hire us, you will not only get licensed service providers but also certified products from the Netherlands. Many companies may demand that their products come from Germany, but theirs are not certified. So, when you want genuine service, accurate installations, and superior vertical transport technology, our service may meet all your demands.
