"Peoplefy- Recruitment Process Outsourcing Services in Pune. Find the right talent for your business with our recruitment agency in Pune, Hyderabad, Mumbai & Bangalore. Our experienced end-to-end recruitment team connects top-tier candidates with leading companies across various industries."

Peoplefy is an award-winning Recruitment Service Provider. Driven by ex-software engineers and graduates from the I.I.T's. Started in 2006 Peoplefy provides various services like Recruitment Process Outsourcing (RPO), Executive Search, and Niche hiring to some of the leading IT, Engineering &Shared Services MNCs across India.

Recruitment Process Outsourcing
"Recruitment process outsourcing (RPO) is a form os Outsourcing, where an employer can shose to transfers all or a part of company’s

permanent workforce to an external recruitment oartner. Peoplefy RPO Offes Quality excellence, a scalable model, cost savings, a technology stack, market intelligence and predictive talent analytics that helps you find and identify the right talent quickly.
Peoplefy RPO model is highly customizable with a specific set of services to directly address your company’s goals, requirements and recruiting challenges. Recruitment resources can be scaled up or down based on changing hiring needs, providing your business with a high degree of agility.
We use & implement robust processes with help of innovative technology tools for providing high quality talent hiring & manage strict timelines & cost to hire. Learn More about RPO service"

Project Based Hiring
Are you looking to hire for an upcoming project or looking to ramp-up and existing BU within a short span of time? We have the solution for you At Peoplefy we understand the complexities and nuances of project-based hiring for several industries. We handle more than just hiring. We help our clients in identifying right recruitment needs, create potential talent pool, develop a robust process to hire faster and consult them for the best practices so that the project team is seamlessly onboarded within Quick TAT.
With over a decade of experience in recruiting in permanent hiring employees and, more importantly, keeping pace with the evolving talent demands of different industries, we’ve developed keen project-based hiring practices that have proven successful for our customers. And for every project, we strive to stay true to our motto of finding the best fit for your business.

EXECUTIVE SEARCH
Over the years, we have established a reputation of delivering quality executive search services covering IT/ ITES and Engineering/ Manufacturing sectors. Our recruitment consultant training ensures that all of our executive candidates have been sourced in strict confidence and are the best available. We offer a blend of very high

ethical and professional standards, excellent headhunters, huge database of top industry professionals, state of the art infrastructure and facilities and in-depth Industry and Domain knowledge. We help you find C-Level Executives, Directors, Vice Presidents, General Managers and Middle Management Professionals across specialized industry verticals and locations in India.

Recruitment Services

We provide our clients and candidates with the excellent recruitment services based on mutual trust and the highest professional standards driven by quality and cost consciousness. We tend to develop true partnerships with our clients in order to fully understand their unique business goals and needs. Based on mutual trust, respect and integrity, we build lasting relationships. This is the philosophy which continues to guide us to success and reputation in a short span of time and helped establish a strong presence in pan India recruitment services.
