Bhutra Marble & Granite is providing our customers a complete range of Black Granite Slab which includes Absolute Black Granite, Black Galaxy Granite, Bengal Black Granite, Black Forest Granite, Black Marquina Granite, Fish Black Granite, Impala Black Granite and galaxy granite stone. We provide one of the premier qualities of Black Granite Slab from India.

The usage of Black Granite Slab is for Countertops, Flooring, Wall Tile, Hardscaping, Kitchen Top, Countertops, Bathroom, Bedroom, Laundry, Main Area, Outdoor, etc. Different Thickness and sizes of Black Granite Slab are available and we can also offer it on the requirements of our customers. The all price range is depending on the required quantity of black granite stone.

The main thing is that we have several types of black granite in India with two major factors such as background of the material and second one is the flower design of granite material. Many Customers prefer

Black Granite because they love black color and it also offers an amazing look to any interior. Now they also want some texture in black color, so we bring out various black granite slabs for them.
