Book My Crop is a sophisticated online platform that connects buyers and farmers from all across India. Currently, Book My Crop offers eight product categories from thousands of registered farmers (Vegetables, Fruits, Grains, Pulses, Flowers, Herbs, Spices, Non - Edible, and Other). Buyers can only place bulk orders to Book My Crop.

Book My Crop for Buyers:

Buyers who use Book My Crop are provided with contact information for reliable prospective farmers with whom they can do business. Book My Crop makes it easy for buyers to get in touch with the best farmers in the country.

Because there are thousands of farmers listed on Book My Crop, each crop is provided at a different price and quantity ratio by a different farmer.

After acquiring direct contact and Whatsapp numbers from Book My Crop, buyers can contact farmers and inquire about their crop offerings.

Buyers can choose farmers using Crop Wise Farmer Selection or Farmer Selection by Distance (up to 500 Kms).

Buyers can sort the list of available farmers by Rating, Price, Weight, and Cultivation Date.

Farmer Data for Buyers:

Buyers should evaluate the following farmer information at Book My Crop in addition to personal information.-

- Location (Village, Tehsil, District and State)
- Land Size
- Crop Volume/Quantity
- Expected Date of Cultivation
- Crop History
- Related Products

Book My Crop for Farmers:

Farmers can utilise Book My Crop to market their crops and receive inquiries from potential buyers. In order to register, farmers in India must provide their legal Farmer's Name, Village, Tehsil, District, and State.

Farmers can also use the Book My Crop website to contribute live crop photographs and videos and gain the following benefits:

- Get more inquiries from buyers
- Attract buyers with the best quality pictures and videos
- Show all crop variants
- Addition of a trust factor via uploading original media files only
- Maintain authenticity
