Extroil Naturals are reputed Manufacturer, Exporter and **[Supplier of Boswellia Serrata Powder](#)** & Extracts in India. The Boswellia Extract has been in use in the Asian Herbal Treatments and has many benefits including treating inflammatory conditions. We are well-known for providing Boswellia Serrata, popularly referred to as Salai Guggal or Indian Olibanum. We promise to provide Natural Boswellia Serrata Concentrates, impeccable services, and prompt delivery.

It's possible that the boswellia tree is indigenous to India, Africa, and Arabia. It is frequently used in Ayurveda, the traditional Indian medical system. Boswellia is also known as olibanum. It refers to a resin or "sap" that permeates through cracks in the bark of certain Boswellia species, including salai. The majority of the gum's ingredients are boswellic acids, which are said to have anti-arthritis qualities.

Now you can buy natural Boswellia extracts from extroil naturals.
