Sampark Logistics Pvt Ltd, Faridabad was established in 1997 with the mind set to become the Market leader in logistics for the service provider that of Air / Train. Our Company has been in the business of express cargo movement for the past more than a decade.

Ten years back we started our business with limited branches. The foundation was laid then towards providing an express cargo service to customers whose business was time sensitive and expanding month after month in both revenue and volume. Presently we are having more than 35 branches servicing all metros, Mini metros and some remote locations.

Since January 2001, the management has taken new initiatives according to market requirements of the present day’s customers who operate their business in a highly competitive and demanding market environment. We share with you the new initiatives which have been implemented and you can be rest assured at the same time that we are now a highly disciplined and service oriented company and you can be rest assured when you use our service for the distribution of your urgent & high valve consignments.

Sampark is having its own image in international market also. Apart from Self Offices in major destinations we have got collaborations with some giants of international market for Air and Ocean.

Today Sampark and its World-Wide Alliance form an extensive transportation network that spans the four corners of the globe.
