Ezy Glide, a brand by Sketch Art, specializes in innovative motorized and smart curtain solutions designed to bring convenience, style, and automation to modern interiors. Ezy Glide products are suitable for residential, commercial, hospitality, and office environments, helping users operate curtains smoothly and effortlessly.

The product range includes motorized curtain motors, automated curtain systems, smart curtain solutions, curtain tracks, and accessories designed for seamless window-covering automation. Depending on the setup, Ezy Glide solutions can support remote control, wall-switch operation, mobile app control, voice assistance, scheduling, and smart-home integration.

With a focus on smooth and quiet operation, reliable performance, and contemporary design, Ezy Glide by Sketch Art provides practical solutions for automating window curtains, blackout curtains, sheer curtains, and other compatible curtain systems. The brand aims to make everyday curtain control simpler while enhancing privacy, light management, comfort, and the overall functionality of modern spaces.
