VirtueSkool is a complete institution management system and it is used to manage not only administrative, but also academic activities from admission enquiry to alumni management. It is an integrated Super App with multiple functions, to get accurate instant reports and analysis from anywhere and anytime to make quick decisions with less human resources. It reduces all manual repetitive works, reduces paper usage. It acts as an effective communication medium and improves brand image. It helps to get high scores in results and improve the institution reputation. VirtueSkool has 108 modules with a wide range of reports and analysis.
VirtueSkool Parent s App gives access to its huge database having 2.5 Lakhs Questions with unlimited practice tests for NEET, IIT-JEE Foundation (Class 6 to 10), NEET, IIT-JEE Main and IIT-JEE Advanced (Class 11 & 12).
Create your own new login and enjoy the Integrated Management Solutions to improve your institution s standards & reputation and to save your resources & costs.
Kindly inform us, your convenient time for online demonstration or create your login and learn from our help centre.
