Columbus Tourism is a travel company that provides travel solutions to people who are willing to travel to different places in unique ways in India and abroad. We differ a bit from other travel agencies as we take time to plan trips based on weather and your mood. Our suggested places are always pre-researched and on an experience basis help our customers to go for tours and trips but most importantly make lifelong memories. For any queries and trouble before or after the tour, we have a support team to guide and support you in such a situation. We provide services such as group tours, family tours, trade fair tours and corporate tours. In this list we also add hotel booking, passport and visa, air and railway tickets, cruise booking. We believe that even a single 1 minute should not be a burden to think of for ticket booking as it will add crisp to your travel story.
