Welcome to the official website of Districts first diabetes and nutrition care centre- [Dr.Revale's Diabetes, Nutrition Care & Research Centre.](#) Our team of experts and supportive staff believes in providing care which is personalized to each patient's unique needs.

In 2008 understanding the need of diabetes care for the society Dr.Revale started first of its kind diabetes speciality centre '**Dr.Revale's Diabetes Speciality Centre**' in Satara in rented premises. With a very clear vision to serve the community with world-class care at an affordable cost. **Dr.Revale** and his wife **Mrs.Preeti** who is a nutritionist has now subsequently established their own centre under the name of "Dr.Revale's Diabetes, Nutrition care & Research Centre" in December 2017. Currently, more than 15,000 patients trust and are taking benefit of world-class facilities at the center.

We specialize in providing quality services in Diabetology and Nutrition in, Satara district. Highly skilled, experienced and specialist by training Dr. Jaydip Revale and Dr Preeti Revale strive to offer best &

consistent patient care services. Some of our treatments and procedures include management of Type 2 Diabetes, Type 1 Diabetes, Diabetes in pregnancy, Diabetes in Young, Management of Diabetic Neuropathy, Diabetic Foot and Diet Consultations for weight loss, weight gain, sports nutrition, kids diet, diet plans for various other diseases.

Explore our site to know more about our facilities to get reliable health information & connect with us instantly. You can ask us health questions or consult with us remotely & securely. We look forward to meeting, inform and serve you dedicatedly in your health & well-being needs.
