Elmex, which was founded in 1963, is a well-known company in the electrical wire termination technology business as a prominent maker of terminal blocks in India. Elmex's production plant is ISO 9001:2015 certified. Elmex has consistently outperformed its competitors in terms of both technological and economic competitiveness. Elmex produces Terminal Blocks, Solar Panel Terminal Block, Terminal Block Accessories, Solar Products, C&I Products, Current Transformers, and PCB Connectors. Elmex received the gold medal as the solar cable connector manufacturer of the year in 2018. Over the years, Elmex has also received a number of renowned national and international certifications and approvals.
