[Farmvale Psyllium](#), a proud subsidiary of Viral Agro Tech and Organic Products India, has been leading the charge in the psyllium industry for more than twenty years. Based in Unjha, Gujarat a region that contributes to nearly 35% of the world's Psyllium Husk production. Farmvale has mastered a unique zero-touch, pneumatic processing technique that ensures no human contact from seed all the way to the final product. This dedication to food safety and quality has helped Farmvale secure a range of globally recognized certifications, including BRC, GMP, Kosher, Halal, NPOP, NOP, USDA Organic, and COR Organic.
