"Started in the year 2019, [Foxiie Trends](#) is a remarkable venture started by Mrs. Urwashee Saxena, a young, and passionate entrepreneur from Jaipur.

Foxiie Trends offers customized handmade oxidized jewelry like necklaces, earrings, bangles, and many more artistic pieces.

These jewelry pieces are designed and meticulously crafted by the master artisans who have been preserving this art for generations.

This is why our jewelry designs are inspired by ancient and modern Indian Culture.

In other words, our jewelry is a marvelous fusion of modern and ancient India – we basically have the best of both worlds.

It is our goal to help our customers to express themselves in a unique and classy way with a touch of modern trends."
