[Gonukkad](http://www.gonukkad.com), founded in Gurgaon, has emerged as the city's premier account management agency, specializing in eCommerce intelligence, sales optimization, and marketplace management.

Through our experience of selling in numerous categories on Marketplaces such as Amazon, Flipkart and Meesho we have encountered a multitude of challenges and obstacles. Consequently, we have gained knowledge on how to rank quickly and inexpensively, obtain positive reviews that comply with Marketplace's TOS, reactivate listings that have been taken down due to competitor tactics, create optimized listings and images, and restore suspended accounts.
