Greytip Software is a people management software company serving SME customers. With more than 20 years of industry experience, we deeply understand the HR and payroll domain. Unlike other companies we are a highly focussed business and do nothing else. Due to this and the continuous feedback from thousands of our customers, our solutions end up being user friendly and highly relevant to your needs. While our customers appreciate the cutting edge technology solutions that we deliver they love us for our dedicated, patient and highly responsive support team.
