Since its inception in 1999, Group Nish has grown to become one of the most experienced organisations in the fields of instrumentation, automation, and EPC-based electrical solutions. Group Nish has made a name for itself in the instrumentation, automation, and electrical solutions industries, and it is now spreading its wings all over the world.

Group Nish offers [Industrial Automation for chemical industry in India.](#)

Group Nish provides its customers with the answers they need to strengthen their businesses through its various divisions. Our company has earned the most reputable name in EPC contracts involving 66 KV Switchyards to C&Is. We specialise in providing ELECTROMATION solutions to the Process and Infrastructure industries across India, with operations including in Singapore and South East Asia.

Group Nish is one of the most reputed solution providers of **Industrial Automation for steel industries in Gujarat.**

Group Nish has a CRISIL grade of 1B and is ISO 9001:2015 and ISO 45001:2018 certified. This is completely consistent with our goal of becoming the chosen global supplier of ELECTROMATION EPC contracts. With great belief in our motto, "INSTRUMENTATION BASED, PROCESS DRIVEN," we commit to concentrate on our clients' operations by incorporating speciality understanding values into their processes.
