At the forefront of digital innovation in life sciences

Formed in 2008, i2e Consulting is a software services company delivering both consultancy services and tailored technology solutions for organizations in the pharmaceutical industry.

Named one of the fastest growing private companies in the US in the 2018 Inc. 5000, i2e Consulting are leading the way when it comes to the digitization of the healthcare industry. With clients across multiple industries, principally pharmaceutical and finance, we're able to provide value to organizations of any size with our services and solutions.

We're a Microsoft Certified Gold Partner, utilising the power of the cloud with tailored Office 365, SharePoint and Azure solutions.
