Sneha Rateria provides the best [indian costumes designer jewellery](#). Wedding is the most important and happiest event in every bride's life. Every bride wants to look her best for her D-day. From makeup to outfit, jewellery to shoes, she wants everything to look perfect! Here are the few points a bride-to-be should keep in her mind before buying her wedding Jewelry.

### 1. Plan your budget in advance!

Decide how much you want to spend on your Wedding Jewelry. Once you've set an amount, you can go on and select the precious metal (Silver, Gold, Platinum etc) and stones (Ex - Diamond, Emerald, Ruby etc) that fits your budget.

### 2. Heavy outfit + Heavy Jewellery = Nope!

If you're going to wear a heavy wedding jewelry then go minimal on the outfit part. Wearing heavy jewellery with heavy outfit can look a little overpowering!

3. Pick your jewellery first!

It will help you to choose the outfit that'd go with your jewellery!

4. Go for contrasting colors! You can always contact us on Whatsapp (+91 98303 18958) Or email me at [sneha.rateria@gmail.com](mailto:sneha.rateria@gmail.com) For more information on jewellery, weddings and fashion do visit our website.
