Inspace Furniture Solutions is a trusted manufacturer and supplier of bespoke school furniture in Chennai. The company operates with an administrative office within the city and an ultra-modern production plant on the outskirts of Chennai. We also have a massive marketing network that spans the southern states of the country.

We design and manufacture the finest school furniture that comes in the widest choice of designs, colors, shapes, sizes, and material. Customization is our forte, and we have done it for most of our clients. We have a strong team of 150 employees who are dedicated to their craft. The team includes an R&D crew who are responsible for coming up with ergonomic designs that suit the needs of growing children.

As the ultimate, one-stop-shop for kids school furniture and classroom furniture, we also manufacture furniture solutions for school libraries, labs, hostels, canteen, and school administrative offices. Our products are unmatched in terms of efficiency, durability, maintenance, aesthetics, and value for money. Our company believes in offering the highest level of quality at reasonable prices.

We are experts in dealing with bulk orders that are consistent in quality and make. Timely delivery is one of our main USPs.
