[Ionic Firebaseapp](#) was established in 2015. After putting a strategic focus on complex communication challenges, and collecting world-class experiences, authenticity & integrated perspectives we have developed hundreds of mobile apps. Our team has successfully scaled from a handful of people, and our diverse team of transdisciplinary professionals plays an active role to modify our ready-made apps to match the client's needs. Throughout these years, our professionals have stayed true to their goal of putting the end-user needs at the heart of our strategy & finding creative technology-led solutions.
