JRS Pipes and Tubes is India's one of the most trusted [MS rectangular pipe dealers](#) with tubes in a wide range of dimensions and thicknesses. We specialize in offering our customers with custom thickness rectangular steel pipes for critical and special applications. Also commonly known as "Rectangular Hollow Sections (RHS)", rectangular pipes and tubes can be supplied with black paint mill finish or with anti rust oil coating for surface protection of the pipes. Rectangular steel pipes both in seamless and welded form are widely used for structural purposes, architectural work, special piping systems and many other general purpose fabrication works. Rectangular steel pipes can be offered in both mechanical and structural grades, as per the requirement of our customers.

Applications of Rectangular Steel Tubes & Welded Rectangular Hollow Section:-

Furniture

General Steel Fabrications

Structural Work

Racks

Engineering Applications

Special Shape Piping Systems.
