**Knowband**, an eCommerce development business, provides the most efficient method for converting a standard online store into a feature-rich marketplace. It offers eCommerce plugins for multiple platforms like PrestaShop, OpenCart, Magento 2, WooCommerce etc. Some of the top-selling modules are Mobile app builder, Marketplace plugin, spin and win, abandoned Cart, one-page checkout and so on. In three easy steps, you can create an Amazon-style marketplace with the Marketplace Addon. The PrestaShop Marketplace has fully functional mobile app support. Both iOS and Android apps may be created with the Mobile App Builder module.
