info@leaplearner.in

Leaplearner is a CSTA-based learning platform that offers computational knowledge and algorithmic intelligence for kids playfully and comprehensively. We offer courses including Coding, App Development, Robotics, Programming, AI, Machine Learning, and more for kids between 5-14 years. By teaching kids about futuristic courses at an early age, we aim to make our students well-versed in analytical thinking, creativity, and problem-solving attitude. Learning with Leaplearner gives students the following benefits:

- A comprehensive and fun way to learn robotics, programming, coding, etc.
- Certification from iCode, a US-based certifying authority in Computational Thinking.
- Chance to participate in online olympiads and hackathons
- Real-world analytical and problem-solving skills.
