[Mohit Bansal Chandigarh](#) Architects was born out of an idea developed and evolved through various stages on a passion to transform people's lives by designing incredible spaces for them to live and work in, to solve their daily problems. We have been working in a diverse range of architecture and interior disciplines and are also passionate to solve the problem of urban interaction in context to Indian fabric by creating public spaces in important spots across the cities. We design with you in mind. Give us a call to discuss and see what we can do for you

We work on three founding principles of Inspiration, Innovation and Imagination which makes us one of the most sought after team of architects in Chandigarh. Our team of creative architects and interior designers thoroughly understands the essentials of each type of projects – residence, office, commercial space, restaurants, hotels, clinics, hospitals or religious institutes. Being one of the most sought after architects in Chandigarh our vision has always been to create intricate spaces to achieve a perfect balance of client needs & timeless designs.
