Netrika : The word derived from Netra, eyes in Sanskrit. “The symbol of vision and acute observations” Netrika or an all-powerful eye that empowers us to connect with the world and see it from a larger perspective with a global vision. An eye for better understanding of business, understanding Risk and with the help of intelligence find solutions which secures our business, thus empowering us with protection

We work with businesses that are multidisciplinary. Our team comprises former police and army officials, chartered accountants, MBAs, forensic experts and experts from the consulting industry. Different members of the team have their varied experience in supporting companies in gathering intelligence, investigations and security management. Members of our multi-disciplinary team work together to handle complex threats for businesses.
