Opulenzo is a curated jewellery store with a premium selection of lightweight gold & diamond jewellery for the contemporary Indian. Apart from being 4th generation jewellers, great craftsmanship is just a small part of what we know. Jewellery is to be used, to be loved. Not to sit in a cupboard for special occasions. We have a great selection of rings, pendants, necklaces, bracelets & earrings that is bound to take your breath away. Our collection houses a gorgeous range of designs for daily wear as well as special occasions. Easy, beautiful and with simplicity at its core. You don't get your haircut where your grandma does, so why shop for jewellery in the same way? Visit our website & find the perfect piece for yourself or a loved one.
