Established in the year 2003 PARTH ENGINEERING WORKS as Manufacturer, Exporters & Suppliers of Injection Moulding Machine, Plastic Injection Moulding Machine, Moulding Machines & Taping Machine.

From the beginning we have made it our mission to do quality work and build long lasting relationships with our clients. Pursuing highest standards and passing through stringent stage wise quality checks, we produce products that can optimize our clients' production. Our aim is to exceed the expectations of the customers in terms of quality and achieve the goal of being preferred brand.

Our vast infrastructure is well equipped with latest facilities and machines which are supervised by experienced professionals. Deep understanding of the industry, sound technological expertise and one widow solution - all these factors have lead us in achieving a wide client base across the world. We stand behind our commitment and believe in quality as the most powerful force in business.
