Prateeksha Web Design is one of the leading Web Design agencies in Andheri West, Mumbai, India. Our dedicated team of programmers and designers are extremely talented and experienced in their respective fields. We have been working on designing and developing Websites and E-commerce sites since 2007 and launched a plethora of websites for overseas and local clients.

We develop customized web solutions based on open source products like WordPress, Joomla, and Magento. We also work on designing Shopify and also develop custom plugins for that platform.
