Primeroll International Private Limited, a member of the largest bearing distribution group of India. Over 40+ experience in this industry was established in the United States in the year 1901. Since then the brand has successfully established itself as one of the leading global suppliers of high-quality bearings both inch and metric to a wide array of OEM and end-user customers. The partnership with Authorized exclusive Distributor of Rollway and Primeroll International Private Limited is the culmination of years of field expertise, market knowledge, and quality products.
